

SAFETY THROUGH TECHNOLOGY

**INTERNATIONAL
STUDENT CARE**

LOOKING OUT FOR YOU

WHETHER YOU NEED ASSISTANCE IN CRISIS MANAGEMENT PLANNING, OR YOU NEED PEOPLE ON THE GROUND OVERNIGHT AND OVERSEAS, YOU CAN RELY ON US FOR AN URGENT RESPONSE TIME.

International Student Care was established in 2002 with the sole intention of raising the level of care and support on offer to international students attending educational training facilities in Australia. It was viewed as essential this service was both proactive and reactive and accessible 24 hours a day, 7 days a week.

As the awareness of the service we were providing became general knowledge we were approached by both Government agencies and sectors of the private industry who worked within the education training industry to both advise and assist with situations confronting them.

As a result of this we now provide ongoing risk assessments with the everyday running of their operations and the subsequent implementation of any risk minimisation strategies.

WE RESPOND 24/7 TO STUDENTS PLACED UNDER OUR CARE AND HAVE A DEDICATED PHONE LINE FOR STUDENTS. WE WILL PHYSICALLY ATTEND AND ASSIST STUDENTS IN NEED.

It is our mission to provide a safe and secure environment for international students to both study and socialise when they are in Australia. Our intention is to provide international students and all relevant stakeholders with the education and tools to provide this safe and secure environment by providing world's best practices from within the security industry. Our goals will be achieved by working closely with all stakeholders and in some cases external agencies to support and encourage students to reach their academic potential in a safe and secure environment.

OUR CORE VALUES

- > We encourage independence, strength of character and self-worth of students who are under our care whilst embracing diversity within our work place.
- > We are committed to ensuring the physical safety and emotional well-being of all international students placed under our care.
- > We encourage the growth and development of international students through positive interaction.
- > We are dedicated to providing a quality of service that promotes peace of mind for parents of international students studying in Australia.
- > We insist upon the highest standards of honesty and ethical behaviour in our dealings with each other, our clients and our community.
- > We constantly strive to conduct ourselves in a polite, ethical and honest manner & encourage professionalism in our actions and our deeds.
- > We accept responsibility for our actions and continually reassess our professional and personal lives to ensure we are acting in a sound and ethical manner.
- > We will endeavour to serve our clients with knowledge, skill, loyalty, creativity, perseverance and care.
- > We are conscious of attaining our clients objectives and goals in the most efficient practical manner.

ISC DURESS ALARM

OUR DIGITAL SAFETY SOLUTION

THE SAFETY CHALLENGE

- How can I call for help during a crisis if I can't reach my phone?
- How do we know when someone is at risk?
- How can accurate information be shared, recorded and verified in real time?
- How can safety, support and risk management plans be activated during a crisis?

THE SOLUTION: ISC DURESS ALARM

- A stylish duress alarm smart watch which triggers an instant safety alert and reactive response
- An alternative solution when your phone is not an option
- Solutions to mitigate, reduce and remove risk
- Unique platform which maintains relevant information in accordance with privacy requirements (ISO 27001)

ISC have harnessed the power of wearable technology by providing people at any risk level with safety and peace of mind i.e. knowing that a full response is at the push of a button.

HOW IT WORKS

ISC Duress Alarm ensures that the strategy for addressing safety and risk is digitized. Our solution can be designed around your organisational or individual needs.

- Live transmission of the person's location (GPS & WiFi) and audio of events is recorded
- A unified safety response to provide a timely solution
- One system that delivers multiple solutions across many platforms
- Connection to our A grade, 24/7 ASIAL accredited monitoring station

WHY THE ISC DURESS ALARM IS THE #1 CHOICE

- The ISC Duress Alarm is a 4G standalone device. There is no need to tether to a phone
- All events are independently recorded
- Latest GPS and WiFi technology for pinpoint location accuracy
- Easy to use, is discreet and has two button activation which helps to reduce false activations
- When faced with an aggressive person, using your mobile phone to call for help is not always practical
- Fully functional and usable smart watch which comes in a range of colours
- Can't easily be removed from the wearer unlike lanyard-based devices

ISC DURESS ALARM TECHNICAL SPECIFICATIONS

MORE ON ISC'S TECHNOLOGICALLY ADVANCED
DURESS ALARM SMART WATCH

FEATURES	TECHNICAL SPECIFICATIONS
Display	1.2-inch circular AMOLED display
	390 x 390 pixels with a PPI of 326
	Corning Gorilla Glass
CPU	Qualcomm Snapdragon 2100
Operating System	Android Wear 2.0
	Supported Mobile OS: Android 4.4+, OS 9.0+
Memory	4 GB Flash + 768 MB RAM*
	*Due to limitations in CPU processing power, and memory used by the operating system and pre-installed applications, the actual space available to users will be less than the nominal memory capacity. Actual memory space will change along with application updates, user operations, and other related factors.
Working Frequencies	LTE: B1, B3, B7, B8, B39, and B41 (2,555 - 2,655 MHz) / UMTS: B1, B2, and B8 / TD-SCDMA: B34 and B39 / GSM: 900 and 1,800
Positioning System	GPS + WIFI Glonass.
Speaker	Supported.
Connectivity	Bluetooth: 2.4 GHz Bluetooth 4.1 BLE + BR / EDR Wi-Fi: 2.4 GHz 802.11b/g/n.
Sensors	6-axis A + G sensor 3-axis Compass Heart Rate Sensor (PPG) Barometer Capacitive Sensor Ambient Light Sensor.
NFC	Supported.
Battery	420 mAh* 410 mAh* (minimum value) *Typical value. Actual capacity may vary slightly. This capacity is the nominal battery capacity. The actual battery capacity for each individual product may be slightly above or below the nominal battery capacity.
Water & Dust Resistance Rating	IP68
